

The winner takes it all

LODHA DEVELOPERS LTD, Mumbai's premium real estate developer, has been honoured with the award for 'Best Developer Involved in High-End Residential Properties' across India, by constructionsourceindia.com, the website which is unique in offering a holistic platform for the construction and building material industry.

Abhishek Lodha, MD, Lodha Developers said, "I feel greatly privileged to receive this honour, as it is the recognition of the superior value being created by us. The award also acknowledges our premium stake in hi-end residential properties. This reinforces our commitment to do our best."
