

A world-class golf course by the river.

*A passion, an obsession, a romance, a nice acquaintanceship with trees, sand and water. ~ Bob Ryan*

Designed by Col. K. D. Bagga, India's premier designer of golf courses, the Lodha Golflinks course combines the imagination of landscape architects, the meticulous detailing of engineers and the passion of golfers. A 9-hole stretch of deep green running along a river, it offers excellent play along with panoramic views and sylvan surroundings.

With an island green as one of its unique features, the Lodha Golflinks course presents a worthy challenge to the avid golfer. A thoughtfully designed layout allows even less experienced enthusiasts to enjoy the sport with special facilities for training including a Driving Range and a Putting Green, while a world-class Golf Simulator ensures that you practice on the world's finest courses.
