- 2. The sanction of the Court is sought under Sections 391 to 394 of the Companies Act, 1956, to the Scheme of Arrangement and Amalgamation of Lodha Novel Buildfarms Private Limited with Lodha Developers Private Limited and their respective shareholders.
 - The Transferor and the Transferee Company are engaged in the business of real estate development.
 - The benefits of the Arrangement are that the Transferor and the Transfered Company are engaged in the same field of business. Initially, it was proposed to have two projects viz. Casa Univis and Splendora in the Transferor Company. The Transferor Lodha Company is close to completing construction of Casa Univis project and the construction for Lodha Splendora project is in its nascent stage. In order to utilise the larger pool of resources available with the Transferee Company for Lodha Splendora project, the management of both companies propose to consolidate the Transferor Company with the Transferee Company. Further, the management of the two companies is desirous of pooling managerial resources of both companies thus achieving certain administrative synergies. The proposed merger will be in larger interests of the two companies, their shareholders, creditors and employees and shall streamline the structure. Therefore, the Board has thought it fit to merge the Transferor Company with the Transferee Company.
